10) Completion of this Traffic Safety Course does not guarantee student(s) will pass the Knowledge and/or Skills Testing for Washington State Drivers Licensing.

Course Information

Parent Night: The first hour of Lesson #1 is good for parents to attend with students. It will go over course information, expectations, and instructions for scheduling drives. All these items are good for both parents and student information. Students are expected to participate in all 15 lessons. Any absences, (maximum 3), must be made up by attending the specific lesson missed.

Student tardiness is viewed as an absence and the entire lesson needs to be made up.

Revised 11-21-2023

Washington State requires our course to include information about the Organ Donor Program. This portion of the course is optional.

Students are fully accountable for their conduct. Students can be dismissed from the course for misbehavior, cheating (whether sharing or receiving answers), excessive tardiness, misuse, or abuse of equipment, repeated or willful violation of traffic laws, being under the influence of drugs or alcohol, failure to complete assigned work and multiple failed tests during the course. No refunds will be given.

It is 911 Driving School practice to try to have two students in the instructional vehicle. There are instances when this is not possible. By enrolling in a 911 Driving School Traffic Safety Education Course; Parent/Guardian gives 911 Driving School, permission to conduct Behind the Wheel training in a one-on-one setting.

Most instructional vehicles are equipped with video cameras for safety and training. Images from the cameras will never be used for public display of any type. Videos may be retained for up to 5 days unless the instructor fills out an accident/incident report. Videos are the sole property of Wenatchee 911 Driving school and will not be released to anyone other than Law Enforcement in their official duties and Wenatchee 911 Driving School employees. By signing this form, you give Wenatchee 911 Driving School permission to videotape any classroom sessions, lobby activity and drives in our vehicles.

A Traffic Safety Education Notice of Completion will be electronically submitted to the Department of Licensing upon successful completion of all tests and activities required for our program and upon full payment of tuition and fees.

A student signature is needed on attendance records for Department of Licensing verification that all requirements were met.

Prolonging classroom/BTW/Test completion beyond 6 Months from the first day of their class disqualifies students from completing their Driver's Education Course.

Parent involvement is critical for the student's success!

50 hours of supervised driving (10 of which being nighttime hours) are required by WA state prior to receiving a driver's license.

If parents refuse to practice with the student and the student is unable to complete the tasks of each "Behind The Wheel" lesson, parents will need to pay for additional drives for the student to move onto the next drive lesson. This can be avoided by daily practicing at home.
